

**SUBMISSION of the
SCIENTIFIC MASTER or DIPLOMA THESIS**

I. Author		<i>Matriculation number</i>	
<i>First and surname</i>	<i>Email</i>		
<i>Postal address</i>	<i>Nationality</i>	<i>Phone</i>	
<i>Study programme</i>	<i>Study major (if applicable)</i>		
<p>Attached I am submitting my final scientific thesis (two hard copies, cover sheet and first page according to the requirements found at https://www.dieangewandte.at/graduation) for assessment and I hereby acknowledge that no more changes to the thesis are possible. As part of the assessment a plagiarism software will be checking my thesis and the results will be included in the grading process by the supervisor. The assessment has to take place within 2 months.</p> <p>It is possible to apply for an exemption of the thesis from the legal disclosure requirements (§ 86 UG) for a maximum of 5 years in the case of conflict with my economic or legal interests (forms can be found at www.dieangewandte.at/studiendekan). By uploading my work through Phaidra my thesis will be published, unless an application for restricted access has been previously confirmed by the Dean of Studies.</p>			
<i>Date</i>	<i>Signature author</i>		

II. Submission confirmation

The Office of Student and Academic Affairs confirms the completed submission of the scientific master- or diploma thesis.
