admission process

The admission process of the BA Programme **Transformation Studies. Art x Science** consists of:

1. Assessment of application documents (in English) by the examination committee
2. Interview before the committee (in English)
3. Decision on admission by the committee

application procedure

1. Applicants must **upload** their **application documents** to the Angewandte application platform (<https://application.uni-ak.ac.at>) between **19th June, noon (12 pm CET), and 4th July 2023, noon (12 pm CET)**.
2. Information to applicants about **invitation** to **online interviews** will be communicated on **11th and 12th July 2023**.
3. Online **interviews** by examination committee with applicants will be conducted **between July 17th and July 20th, 2023**.
4. Information on **admission** will be communicated **from July 24th, 2023**.

application documents

The **application documents** have to consist of **two PDF documents**.

PDF document 1 (max. 50 MB):

A **written assignment** which consists of a text (400–500 words) on the following issue: **“Explore, observe, and then describe where and how Artificial Intelligence (AI) applications appear on an average day in your life!”**

The text may be accompanied by any audiovisual material.

The document must be labeled as follows:

Name_LastName_Assignment_2023-0X-XX.pdf

PDF document 2 (max. 30 MB):

- **CV** in Europass format or adequate form (<https://europa.eu/europass/en>) (max. two pages);
- **Motivation letter**, in which the applicant describes their expectations of the programme and their interest in cross-disciplinary connections of art x science to understand transformation (e.g. by focussing on one dimension of it: political, economic, social, technological, environmental, legal, or aesthetic); (500–800 words)

The document must be labeled as follows:

Name_LastName_CVandMotivationLetter_2023-0X-XX.pdf

interview

In the interview, the examination committee discusses with the applicant their motivation to study, their main areas of interest regarding the programme and their extent of creativity shown in working on the assignment.
